\*Martindale abrasion testing alone is not an appropriate indicator for the durability of this product. The heat generated by this test far exceeds normal practice and affects the constituent fibre. The robust performance of this product is proven in use with a 10 year guarantee of durability. The stated technical and environmental performance of a fabric may be affected by the post treatment applied. Product guarantees for the post treatment of fabrics undertaken by Camira are guaranteed for 5 years. Please note that seam performance is dependent on seam construction, needle and thread type. We recommend that appropriate sewing advice be taken. Batch to batch shade variations may occur within commercial tolerances. We reserve the right to alter technical specifications without notice.
